### DESCRIPTION OF INCIDENT

Victim reports leaving work at 03:10 AM and walking southbound on Cedar Avenue. At approx. 03:18 AM, noticed same male subject walking behind at a constant distance (~15 ft), pausing whenever victim paused. Suspect veered onto side streets in tandem with victim's turns, eventually trailing into the alley behind Maple & Pine around 03:26 AM. Victim tried to lose him by doubling back, but suspect mirrored movements. Victim felt unsafe, entered a lit Taco Bell at 03:37 AM and waited until midnight before driving to police. No physical contact was made, but suspect's behavior caused alarm and fear. Victim requests increased patrol and any available CCTV be reviewed. Witness from the storefront (barista, "Luis Martinez") saw the subject loitering outside from 03:37-03:47.
